Wild Heaven Farm is pleased to announce the launch of our latest money-saving effort, a Soap CSA. Similar to produce CSAs, you pay at the beginning of the year, which helps to empower the farmer to prepare for upcoming season, and pick up your "share" of product each week/month. Additionally, for your lump-sum payment, you will receive a bonus of shopping credit with us (see below), to be spent incrementally over the remainder of the year, on soaps and skin care products. Our soap CSA customers will also receive first choice of each of our limited-edition seasonal fragrances.

An up-front payment of: will buy you this much credit for product:

$50 ..... $54 (8% bonus)

$100 ..... $110 (10% bonus)

$150 ..... $168 (12% bonus)

$200 ..... $230 (15% bonus)

The Fine Print: Payment must clear before weekly pick-ups may begin. One share pick-up per week with a limit of $20 worth of product.
